CALIFORNIA  
SKINCARE SUPPLY  
The Estheticians Edge™

**Collagen M.D.<sup>®</sup> to showcase professional nutricosmetic dietary supplements at  
The International Congress of Esthetics and Spa – Long Beach, September 20-21, 2015**

Irvine, Calif. (September 1, 2015) – Collagen M.D.<sup>®</sup> will be showcasing its lineup of professional-grade Collagen Type I, II & III and Hyaluronic Acid dietary supplements at ***The International Congress of Esthetics and Spa*** at the Long Beach Convention Center, Long Beach, California on September 20th and 21<sup>st</sup> at *California Skincare Supply* booths # 535, 537, 634 & 636.

“Collagen M.D. professional-strength nutricosmetic supplements are a skin-enhancing addition to most skincare programs and help support the natural mechanisms of the body that help promote and maintain skin health from within.” said Al Quadri, President of Collagen M.D.

“We are honored to distribute such an incredible anti-aging nutricosmetic!” said Kelli Anderson, CEO of California Skincare Supply, Inc. “and excited that the Collagen M.D. lineup will be in our booth at the upcoming International Congress of Esthetics and Spa at Long Beach.

“I have been taking Collagen M.D.’s **Advanced Connective Tissue Formula** for 9 months now and I’m astonished at the results I have personally experienced” said Anderson “I recommend everyone come by to learn more about the amazing health benefits of this extraordinary dietary supplement brand.” “The addition of Collagen M.D. nutricosmetic supplements to an Esthetician’s professional product lineup is beneficial both to their clients’ skin health and the bottom line.” said California Skincare Supply’s CEO.

“California Skincare Supply will be offering a delicious Collagen M.D. age-management drink at their booth” said Quadri “and Pat Whelan from Collagen M.D. will be on hand to answer questions throughout the show.”

Collagen M.D. is a global brand with a professional-grade line of dietary collagen type I, II & III and hyaluronic acid supplements, sold through spas, aestheticians, acupuncturists, health professionals and physicians. All Collagen M.D. dietary supplements are free major allergens including dairy, gluten, sugar, soy and manufactured under strict cGMP guidelines in Irvine, California.

California Skincare Supply has been providing the estheticians edge by distributing the absolute best skincare product lines, training and equipment since 1991. California Skincare Supply educates estheticians in basic to advanced skin care techniques as well as product knowledge, sales and equipment development.
