

# Welcome to Seaflora

---

Seaflora seaweeds are wild, hand-harvested and the only certified organic seaweeds in the world used in skincare products.

Our complete certified organic seaweed and marine skincare line offers you beauty, nutritional wellness treatments and therapeutic thalassotherapy experiences to hydrate, feed and nurture your skin.

Emotional experiences, sensory sublimity and extraordinary results characterize Seaflora skincare. Our thalassotherapy experiences satisfy, in a personalized way, the most demanding requests from an international female and male clientele. Your clients know they will not receive such skincare and treatments anywhere else.

## Our Mission

To provide you with distinct and authentic certified organic seaweed skincare and treatment rituals made from premium quality, hand-harvested wild seaweeds, organic plant botanicals and wholesome natural ingredients.

## Our Vision

To bring the world skincare products that embrace the powerful healing synergy of our oceans and seaweeds.

## Our Commitment

Is thorough and long term. We fully appreciate individuals like you who are leaders of this life-changing green spa movement. Together, we are pioneers in creating positive changes to meet your needs and to enhance your personal success and that of your business.

## Seaflora Principle Guidelines

We focus on seaweed science and innovative skincare formulation:

- Our research and development is the best in the world in seaweed skincare
- We are celebrated for our seaweed expertise, innovative skincare solutions and industry knowledge
- Seaflora products are never tested on animals
- We conduct rigorous quality control for research, production and packaging

## Reach Your Personal Best with Seaflora

In addition to nutritional and authentic seaweed skincare and thalassotherapy experiences, we assist in menu and program designs reflective of all of the healing benefits of our ocean seaweed garden.

Our personal best wishes for you,

**Seaflora Wild Organic Seaweed Skincare CEO, Diane Bernard**
